### **QUOTE(S) OF THE DAY**

"No one is born hating another person because of the color of his skin, or his background, or his religion. People must learn to hate, and if they can learn to hate, they can be taught to love, for love comes more naturally to the human heart than its opposite." – Nelson Mandela

"I am a writer. I suppose I think that the highest gift that man has is art, and I am audacious enough to think of myself as an artist - that there is both joy and beauty and illumination and communion between people to be achieved through the dissection of personality." – Lorraine Hansberry

"Don't try to squeeze into a glass slipper. Instead, shatter the glass ceiling." – Priyanka Chopra

"Wisdom is the right use of knowledge. To know is not to be wise. Many men know a great deal, and are all the greater fools for it. There is no fool so great a fool as a knowing fool. But to know how to use knowledge is to have wisdom." – Charles H. Spurgeon

"Nothing great in the world has ever been accomplished without passion." – Georg Wilhelm Friedrich Hegel

"Metaphors have a way of holding the most truth in the least space." – Orson Scott Card
